BACK BY POPULAR DEMAND! GUEST SPEAKER: Mr. Bryan Mistele

Bryan Mistele is a popular local writer and speaker on topics related to prophecy, the Middle East conflict, the spirit world, apologetics and Intelligent Design. Bryan writes and teaches because God has given him a passion for all that is happening in our world today.

We had the opportunity to have Bryan in 2009 as he addressed Prophecy in our current times, and we are excited to have him return. This weekend Bryan will address "The Big Lie" in 2 Thessalonians 2:10-12.

During the day, Bryan is the co-founder & Chief Executive Officer of INRIX, the leading provider of traffic information in North America. Bryan started INRIX in 2004, after almost a decade as an executive at Microsoft where he was responsible for successfully building and managing four separate businesses within the company

Bryan and his family live in Redmond, Washington where Bryan is an elder at Westminster Chapel. Bryan holds a Bachelors degree in computer engineering from the University of Michigan and an MBA from the Harvard Business School.

AFTERNOON WORKSHOP

Mark Ruhlman: "What on Earth are we doing?"

In this study, we will look at what the Bible has to say about how we spend our time and our money while on this earth. We will look at how we are to glorify God in our occupations and how we are all full-time ministers, even if we don't work in a church. We'll also look at balancing work with all of our other responsibilities, and how God desires for us to use the financial resources He has entrusted to us. Mark is the Ministries Accountant for Grace Ministries in Marysville, WA. A Business Admin. graduate of The Master's College and is currently working towards his MBA at SPU. Mark and his wife, LaurieAnne are expecting their first child April 2nd. He coaches the Boys Soccer team at Grace academy and enjoys playing soccer and the piano.

Bob, Jonathan, David and Daniel will lead us in our musical worship at each Chapel Service.
